## About the Group

Chew Valley Community Transport covers the Bath and North East Somerset villages of the Chew Valley and along the A37 to Clutton. Chew Valley Community Transport operates a car scheme to help people get to vital medical appointments within the Valley and beyond.

## Booking Information

Passengers are asked to give a minimum of 48 hours' notice when booking a journey. When making a booking you will be required to give details of the destination, appointment time and approximate length of treatment or appointment. All calls should be made to the central number **01275 333430**.

If you need to leave a message your call will be returned by a Co-ordinator who matches the journey request with one of the local volunteer drivers. Passengers are asked to make a donation towards the cost of the volunteer's fuel and project insurance.

## Becoming a Volunteer Driver

If you live in the Chew Valley area, drive your own car and have time to offer as a driver then please do contact **01275 333430** to enquire about volunteering. Even if you are only able to offer a few hours a month, all help is appreciated.
